What is SuperReturn Operating Partners Europe?

SuperReturn Operating Partners Europe is the leading private equity event dedicated to value creation.

Bringing together operating partners from private capital firms, portfolio companies and more to share strategies, practices and insights on driving operational excellence and growth.

The event offers unparalleled networking opportunities and cutting-edge content focused on operational improvements, talent management, digital transformation, growth initiatives and future operating models.

It's where the industry's most influential voices come together to shape the future of portfolio performance.

Who will be there?

SuperReturn Operating Partners Europe brings together an exclusive community of senior professionals from across the private capital industry. You'll meet operating partners who are at the forefront of driving portfolio company performance and value creation.

The event attracts leading private equity firms, from large buyout houses to mid-market and growth equity investors, alongside portfolio company executives who play a critical role in executing transformation initiatives. In addition, experts in areas such as talent management, digital transformation, and growth will be present to share insights and innovative solutions.

Advisors and service providers who specialise in supporting operational improvements will also join the conversation, making this a amazing opportunity to connect with senior industry leaders who are at the forefront of driving transformational change.

An intelligent data platform powered by Preqin to enhance attendee data at SuperReturn events.

Benefits

Attendee List Integration

The event attendee list will be uploaded to the InvestorInsights platform and overlaid with Preqin data. Allowing sponsors to navigate and filter by investment interests.

Time-Saving Features

The platform's advanced filtering tools and automated notifications significantly reduce the time required to identify and connect with ideal investors.

Enhanced Insights

Overlaying the attendee list with Preqin data transforms it into a rich resource, providing detailed insights such as investor type, investment strategy, AUM, region and more.

Early Access Options

Sponsors can access the platform from five weeks prior to the event. For those looking to gain a competitive edge, an option is available to access the platform as early as eight weeks before the event.
